A Message from the Chief of Police

Chief Glenn M. Miller

The year 2005 was an outstanding year of accomplishments for the Richard Stockton College Police Department. The men and women of this department work tirelessly to ensure the safety and security of this college so that our faculty can provide the best educational opportunity possible. Our officers are dedicated to this mission and whether it is providing an escort to a student, unlocking a car door, or arresting a drug dealer, we will complete it for our community. We are a fully trained and state certified campus police department and available to assist our community 24 hours a day, 7 days a week.

We have had many significant events occur in 2005 and it is important for our community to know about them.

- We participated in Operation L.E.A.D. (Louisiana Emergency Assistance Deployment) an assistance program to the State of Louisiana, specifically New Orleans, by providing two officers, Officer Carlton Fernanders and Officer Maria Parziale, to assist with the law enforcement and recovery efforts after Hurricane Katrina. It was the first-ever, out of state law enforcement deployment for this police department in our history and we are thankful for the support of President Saatkamp and Vice President Klein for allowing us this opportunity.

- We continue to work very closely with our partners in Housing and Residential Life by enhancing our partnership program with their Complex Directors and our Officers. Additionally, working with the Stockton Residents’ Association, the safety and security of our housing units has been greatly improved.
We have established our first Neighborhood Watch Program on campus with the assistance of Housing and Residential Life and trained over 60 students in the program.

We commenced the formation of our first Community Emergency Response Team (CERT) on campus by initiating the training in the fall of 2005. The first team is scheduled to graduate in early 2006. The CERT program provides the college with trained emergency response support personnel in the event of a serious incident. We thank Health and Safety Officer Dennis Lepore for his work on this project.

We continue to pursue the New Jersey State Chiefs’ of Police Accreditation Program and Commission for the Accreditation of Law Enforcement Agencies (CALEA) recognition. There are 146 national standards that must be achieved to reach this accreditation and we have worked tirelessly towards this goal. We hope to achieve this recognition in 2006.

For the year the police department has received no complaints of any biased based policing against any of its officers.

In August we organized our second annual charity golf tournament for the benefit of Gilda’s Club of South Jersey. Thanks to the hard work of Communications Operator Lisa Benevides and others, nearly $3,000 was raised for Gilda’s during this event. Also, thanks to the efforts of our community and Deputy Chief Mangiello and others nearly $2,000 in toys were collected in support of the US Marines Toys for Tots campaign at Christmas.

We conducted an emergency disaster drill in May with participation of local, state and federal emergency management officials, law enforcement, fire services and emergency medical services. The drill was an extraordinary success and will continue to improve our capacity to respond to any community emergency.

We partnered with criminal justice faculty member Marissa Potchak-Levy to formulate a community satisfaction survey instrument which was later completed by members of the community. The results of the survey indicate very high marks for the services offered by the department and a second survey is planned for early 2006.

We have worked very closely with the Student Senate, Class Councils, Greek Council, many student organizations, the Dean of Students’ Office, the Office of Student Development, and Events Services to assist them in putting on programs to benefit the community, i.e. Haunted Trail, Drop Kick Murphy Concert, Homecoming Weekend, Kwanza Celebration and Freshman Orientation Program, just to name a few. We remain committed to working with our students, faculty and staff to improve our community.

Our police department web site has been vastly improved over the past year and includes a lot of safety and security information for our community. Thanks to Officer Giovanni Maione and Computer Services for this improvement.

Several officers have resigned from the department for opportunities elsewhere which has allowed us to bring some excellent new officers to our department. We welcomed Officers Dawn Courtney McDevitt, Jack Sementa, Erik Gustafson, Lindsey Cheshire and Marcus Taylor to our department this year. They, as do all our officers, remain committed to the service of the Stockton Community.
• We had several promotions including Sergeant Chuck Richvalsky to Lieutenant in command of Operations, Officer Karen Heintz to Sergeant in command of Day Shift and Officer Colleen Britton to Sergeant in command of midnight shift. They are all very deserving of these promotions and we welcome their leadership.
• We applaud the good work of Officer Jim Keefer and Security Officer John Corcoran for the services they provide to the Carnegie Center in Atlantic City.
• Congratulations to Officer Giovanni Maione and Administrative Support Staffer Linda Shea for the awards they each received from the New Jersey College and University Public Safety Association (NJ-CUPSA) for their dedication and service to the community.
• Officer Cindy Parker, Bicycle Patrol Training Coordinator, trained four new bicycle patrol officers this year.
• We have purchased a new, specially marked and equipped, “Supervisor’s” vehicle for patrol.
• We have received several grants this past year, including DWI enforcement and education grant, seat belt enforcement and education grant, first responder equipment grant, and a communications grant in the amount of $109K to upgrade our radio equipment. We also are receiving a “COPS More” grant ($65K) to support the salary of one officer.

**Departmental Goals for 2006**

We will strive to achieve these goals keeping in mind our values of **Integrity, Dedication, Excellence, Achievement and Loyalty (IDEAL)**

• Expand our Neighborhood Watch Program by training Plant Management personnel in the program.
• Develop a web based safety presentation for incoming students to view at their pleasure.
• Complete the NJ Chiefs of Police Certification Program/CALEA recognition of the Police Department.
• Improve the investigative process in the PD by providing additional training to personnel and designating an officer as an investigator.
• Improve communications systems within the PD through grant funded radio equipment purchases.
• Examine funding opportunities for a new CAD (computer aided dispatch) system
• Upgrade the communications/dispatch area in the PD
• Develop a plan to upgrade and standardize the fire alarm systems on campus.

We thank the community for their continued support and remind them that our community is only as safe as that community’s commitment to its safety. With your support and assistance, we will continue to maintain the excellent record of safety and security this institution has enjoyed for many years.
Deputy Chief of Police

Deputy Chief Joseph N. Mangiello

Deputy Chief Joseph Mangiello has been a member of the police department since 1973. During his tenure, he has served in various capacities and held several ranks leading to his current position as Deputy Chief. Within the police department, the Deputy Chief of Police works closely with the Chief of Police, in managing the many and diverse administrative duties. These include, but are not limited to, training coordination, operational procedures and departmental standards, purchasing and procuring, emergency management operations, radio communications and varied personnel matters. The Deputy Chief also works closely with all campus departments and offices to ensure that public safety needs are being addressed. In addition to dealing with criminal matters and the courts, he is responsible for reviewing and submitting complaints filed by Officers regarding violations of the College’s Campus Conduct Code.

Training and continuing education is a major part of the department’s operations. In 2005, officers, communications personnel and other staff attended over 1700 hours of in-service and mandated training. The training includes, but is not limited to, first aid with CPR and AED training, defensive tactics, supervisory training, firearms training, homeland security and terrorism awareness training, 9-1-1 and emergency medical dispatch, traffic crash investigations, crime prevention techniques, domestic violence, sexual assault, cultural diversity, and bicycle patrol training. The PD is always seeking out new and innovative training opportunities for our officers and staff in order to provide the most comprehensive and up to date information and training currently available.

In the coming year the department will strive to reach new goals to better serve our campus community. These new goals include expanding our Neighborhood Watch/Safe Campus Escort Programs enhancing our efforts to reach out to our commuter students through web-based programs, improving our criminal investigative process through designated personnel and enhanced training, upgrading our communications center and CAD (computer aided dispatch) with funds received via a recently awarded grant, working to improve our fire-safety systems campus wide, additional focus on counter-terrorism and critical infrastructure security. All these efforts, and much more, are constantly being reviewed and assessed to ensure we are maintaining as safe and secure a campus community as possible.
Operations Section

Lieutenant Charles Richvalsky

Lieutenant Richvalsky has been a member of the college community since September 1978 and joined the Stockton Police Department in October 1978. He has worked in various capacities during his career, beginning as a police dispatcher thru the college’s student work/study program to his current assignment as the department’s Operations Commander.

In this assignment, Lieutenant Richvalsky works under the direction and control of the Deputy Chief of Police and is responsible for ensuring the efficient delivery of safety and security services to the main academic campus in Pomona as well as the college’s off site facilities in Port Republic, Mays Landing and Atlantic City.

As Operations Commander, Lieutenant Richvalsky is responsible for the general supervision, direction and management of the daily operations of the police department’s Patrol and Communications Divisions. He is responsible for the direct supervision of the department’s Sergeants, personnel assignments, scheduling and the enforcement of department Rules and Regulations. Lieutenant Richvalsky is also responsible for the formulation and direction of all Operational Plans for major events held at the college including Emergency Evacuation, Concerts, Commencements and Dignitary Protection. The year 2005 was very busy and included a challenging concert in the MPRC by the Drop Kick Murphy’s and visits from director/author Michael Moore and Governor John Corzine.

Also, in this capacity, Lieutenant Richvalsky is responsible to oversee the department’s Vehicle Fleet Maintenance, Evidence Collection and Storage, Megan’s Law Records and Sex Offender Registrations as well as acting in the capacity of Liaison Officer to the Galloway Township Municipal Court and the Atlantic County Prosecutor’s Office. As such, Lieutenant Richvalsky maintains a good working relationship with members of the Municipal Court Staff and the Prosecutor’s Office, attending meetings of the Police Information Network, East Coast Gang Investigators Association and the Municipal Coordinators for Homeland Security.

Goals for 2006

- Continue to support the direction, goals and mission of the department through the enhanced delivery of departmental service to the Stockton community in a courteous and professional manner.
- Continue to support the Sergeants, Officers and Communications Operators through continued professional training opportunities.
- Continue to build strong working relationships with outside agencies for the benefit of the Stockton Community.
A - SQUAD (12:00 AM – 8:00 AM)

**Sergeant Colleen Britton, Squad Supervisor**

This squad provides services to the Stockton community from midnight to 8am. This shift handles many different calls for service and there are many challenges that are encountered. Our duties include providing access for students locked out of their rooms/apartments, escorts, access for custodians to clean alarmed areas, motor vehicle patrols, foot patrols, mediation of roommate disputes and/or domestics, crime and disorderly person investigations and assist with Housing violations as needed.

**Sergeant Colleen Britton**

Sgt. Britton’s duties involve overseeing the day-to-day operations of the midnight shift. She is a certified Rape Aggression Defense (RAD) instructor, Breathalyzer and Radar Operator. She supervises the Housing Partner Officer Program that began in 2002 with Housing. Sgt. Britton believes strongly in promoting community policing and building better relationships with the Richard Stockton College Community. She promotes integrity, pride, and professionalism in all the work her squad performs.

**Officer Carlton Fernanders**

Officer Fernanders is the senior officer assigned to the midnight shift and as such, assumes the responsibility of supervising that shift when the Squad Supervisor is not working. His duties include assisting in overseeing the operations of the midnight shift and supervising the officers in the many varied duties that are involved in being a campus police officer. He is a certified instructor in the PR24/Monadnock Expandable Baton (MEB), a certified Radar and Breathalyzer operator and will soon be an ALCOTEST Breathalyzer Operator. He is a Field Training Officer (FTO) and provides training to many of the new officers when they begin their career here at Stockton. He also volunteered for Operation “LEAD” Louisiana Emergency Assistance Deployment, and spent a two-week deployment in New Orleans helping the victims of Hurricane Katrina in relief efforts. He strives to lead by example and promote pride, integrity and professionalism is all that we do as a Police Department.
Officer Cynthia Parker
Officer Parker is a certified Police Bicycle Patrol Instructor, Field Training Officer, Housing Partner Officer, Domestic Violence Coordinator and Juvenile Officer for the department. In those positions she is responsible for ensuring that officers are up to date on all the changing laws regarding Domestic Violence and Juvenile issues. She takes great pride in our department and continues to promote pride and professionalism in all that we do as a Police Department.

Officer Robert Zbikowski
Officer Zbikowski has been a member of the Stockton Police Department since 2002. He is a certified Radar Operator and trained as a Bicycle Patrol Officer. He is a Housing Partner Officer with the Complex Directors of Housing. He has received training in Officer Street Survival, underage drinking and Counterfeit Identification, the SART/SANE Program and Advanced Domestic Violence. Officer Zbikowski takes great pride in his appearance and work product, and consistently demonstrates that by his desire to ensure a safe and secure campus environment.

Officer Jack Sementa
Officer Sementa has been a member of the Stockton Police Department for approximately one year. He is certified in Emergency Police Communications, Radar Operation and Bicycle Patrol. He is a Housing Partner Officer with the Complex Directors of Housing. He has taken classes in underage drinking; Counterfeit Identification, the SART/SANE Program and Advanced Domestic Violence. Officer Sementa takes great pride in this department and works diligently with the community to ensure public safety.

Officer Lindsey Cheshire
Officer Cheshire has been a member of the Stockton Police Department for approximately seven months. She was promoted to Campus Police Officer in December 2005 and commenced the Field Training Officer Program at that time. Officer Cheshire was previously employed for several years as a Class II Police Officer in Ocean City Police Department and brings a wealth of knowledge with her to our department. She is very eager to learn the responsibilities of a campus police officer and become involved in our community. She exhibits a strong work ethic, pride in her appearance and a sense of community that will greatly enhance the mission of the department.

Squad Goals For 2006
- Train additional officers in the use of the ASP/expandable baton.
- Conduct additional training in domestic violence, use of force and firearms.
- Train additional officers in Bicycle Patrol.
- Increase the use of Bicycle Patrol in our community policing efforts.
- Continue to build stronger relationships with Housing personnel and the Stockton Community.
- Train newer officers in Breathalyzer and Field Sobriety.
B – SQUAD (8:00 AM- 4:00 PM)

Sergeant Karen Heintz, Squad Supervisor

This squad is comprised of one Sergeant and five Officers. Of the five officers, one is assigned to the Carnegie Library in Atlantic City. The Day Shift handles duties such as providing coverage and assistance for events within the college community, such as Performing Art Center events, College Open House, Student Orientation and various sporting events. Our daily duties include traffic and parking enforcement, delivering and picking up mail and court paperwork, providing escorts for various offices to the local bank and investigating any crimes that get reported during the shift. Our main function is to provide a safe environment for the students, staff and faculty.

Sgt. Heintz has been a member of the college community since May 1979 and has watched as the college has grown and changed through the years. As the supervisor of the 8 x 4 squad, she is responsible for scheduling, personnel evaluations, discipline and normal day-to-day activities. She also supervises the Student Escort Program and the C.O.P.S. internship program.

Sgt. Heintz is a certified Breathalyzer Operator, Radar Operator and trained as a Bicycle Patrol Officer. She currently serves as the Terminal Agency Coordinator. She is also responsible to oversee the 9-1-1 emergency phone system and database, and maintains the recording equipment for the radio and telephones.

Officer James Keefer

Officer Keefer has been a member of the college community since 1983. Officer Keefer is currently assigned to the Carnegie Library in Atlantic City, where he handles the security of the building which includes the opening of the building, and setting up for different events for the college and various outside groups. Officer Keefer ensures the safety and security of all the students, faculty, staff, and visitors who attend or visit the Carnegie Library.
**Officer John Forte**

Officer Forte is the Senior Officer for the shift and the supervisor in the absence of the Squad Supervisor. He has been a member of the department since 1987. Currently he is one of the department’s Radar Instructors and is certified in its use. He is a trained Bicycle Patrol Officer and certified Breathalyzer Operator. In the past, Officer Forte, has assisted with the CALEA Certification by working on various policies and was instrumental in developing the department’s Awards Program.

**Officer Michael Price**

Officer Price has been with the Police Department since 2003 and he is the College’s Coordinator for Emergency Operations Planning. During this year he has done an outstanding job planning for and executing a successful Table Top exercise. He is currently working on a second Table Top exercise planned for spring 2006. Officer Price is a trained Bicycle Patrol Officer.

**Officer Dawn C. McDevitt**

Officer McDevitt has been with the department for approximately one year and a member of day shift since the summer of 2005. Officer McDevitt continues to learn and grow as an officer. She has attended various schools and seminars to aid her in learning. She works closely with staff in Housing as an alternate Housing Partner. She has been training to become certified as a Bicycle Patrol Officer and is looking forward to being certified in the spring of 2006.

**Officer Erik Gustafson**

Officer Gustafson has been with the police department since May/05 and has recently completed his Field Training Program. He became the newest member of the day shift squad on January 1, 2006. Erik is a talented magician and has incorporated this skill into the Safety and Security lectures that we provide to the Stockton Community.

**Squad Goals for 2006**

- Continue to provide the best possible assistance to the college community.
- Increase parking and traffic enforcement to ensure motorist safety.
- Continue to take an active part in Open House and Orientation activities for new and prospective students.
- Assist and support the training of the new members of our department.
C – SQUAD (4:00 PM – 12:00 AM)

Sergeant Charles Heintz, Squad Supervisor

The Evening shift provides police services to the Stockton community during the evening hours. Each Sergeant / Officer brings unique talents to the squad and different qualifications. The shift Sergeant’s duties are to supervise the evening shift (4x12). Duties include scheduling, giving assignments, the evaluating and discipline of personnel, assisting with crime prevention programs and other duties as assigned. The shift works closely with Events Services to provide for the safety of the many social events that occur on campus during this time period. The squad works diligently to ensure the safety and security of all students, faculty, and staff members, as well as all visitors to the college.

Sergeant Charles Heintz

Sgt. Heintz’s duties include being responsible for the day-to-day activities for the evening shift. He is a certified Firearms Instructor and coordinates all firearms instruction for the department. He is also in charge of the maintenance of the police vehicles and supplies that are in those vehicles. Sgt. Heintz has a management philosophy for his shift that promotes the advancement of Community Policing by leadership and organizational strategies that encourage problem-solving partnerships. Our priority is to provide professional quality services to the college community and to strive for professional excellence.

Officer Maria Parziale

Officer Parziale is the Senior Officer for the evening shift and during the absence of the Squad Supervisor assumes that duty. She is the Accreditation Manager for the department’s New Jersey Chiefs’ of Police Accreditation Program with CALEA recognition. She also volunteered for Operation “LEAD” Louisiana Emergency Assistance Deployment, and spent a two-week deployment in New Orleans helping the victims of Hurricane Katrina in relief efforts. Officer Parziale attended a 3-day supervisory development school at Rider University and attended the NJ Accreditation Conference at Princeton University. She hosts a workshop on domestic violence laws where she is the lead presenter. Officer Parziale is also a certified Breathalyzer Operator and trained as a Bicycle Patrol Officer.
**Officer Michael Meyers**

Officer Meyers has been with the Stockton Police Department since 2001. He works closely and assists with the training of the interns from the “COPS” Community Oriented Patrols for Students Program. He has been recommended for the “ACERT”, Atlantic County Emergency Response Team for the department and has been training diligently for that assignment. He also assists with the Alcohol Awareness Program on campus. Officer Meyers is also a certified Breathalyzer Operator and trained as a Bicycle Patrol Officer.

**Officer Giovanni Maione**

Officer Maione has been with the Stockton Police Department for approximately 3 years and is the webmaster for the police department. Working closely with the college’s computer services personnel, he helped to re-design the Stockton Police Department’s website and continues to update and improve the site. He also is one of the department’s radar instructors. As such, he certifies and recertifies other officers in radar operation. He also attended the High Technology Investigation School at Gloucester County Police Academy and a class on the prosecution of domestic violence cases. Ofc. Maione is also a certified Breathalyzer Operator and trained as a Bicycle Patrol Officer.

**Officer Linda Kenny**

Officer Kenny has been with the police department since 2003, and she is a certified instructor in the “RAD” Rape Aggression Defense training program. She is also a member of the Housing Partner Program and works with the housing staff to resolve issues before they become a problem. She gives presentations on alcohol awareness by utilizing beer goggles for her demonstrations. Officer Kenny has attended the Sane/Sart lecture on sexual assaults and workshops on domestic violence, Counterfeit Identification, legal issues and updates, forensic crime scene and evidence. Officer Kenny is also trained as a Bicycle Patrol Officer.

**Officer Marcus Taylor**

Officer Taylor has been a member of the Stockton Police Department for approximately 7 months. He anticipates being promoted to Campus Police Officer by March 2006 and is currently attending the Burlington County Police Academy to obtain the necessary PTC certification. Officer Taylor is looking forward to participating in the many different aspects of Campus Policing and assisting in all the services that are offered by the Stockton Police Department.

**Squad Goals for 2006**

- Increase foot patrols in the housing areas.
- Increase traffic enforcement to reduce accidents.
- Increase bicycle patrol.
- Help support the RAD program and inform the public when it is available.
- Assist Officer Parziale with the completion of the Agency/CALEA certification process.
- Increase our assistance to Housing in regards to residential student matters.
COMMUNICATIONS DIVISION

The Police Department’s Communications Division operates 24/7, providing emergency communications for police, fire, medical, county and state emergency management and public works/maintenance, as well as other telecommunications services for the entire campus community. The section is comprised of four (4) full-time Communications Operators and two (2) part-time Operators. Sergeant Karen Heintz supervises the division, under the direction of Lieutenant Charles Richvalsky. The major function of this division is to satisfy the immediate information needs of the police department in the course of routine requests for services and during emergency situations and events. All calls for police services are numbered and recorded. In 2005, the police department responded to over 14,900 calls for service.

The Communications Operators are certified in both the State mandated 9-1-1 Services and Emergency Medical Dispatching. The Communications Operators are responsible for a network of systems that consists of a CAD or computer aided dispatch system, a 9-1-1 telephone system, a fire command alarm system, a burglar/intrusion alarm system, a terminal for NCIC/SCIC/MVC information systems or National Crime Information/State Crime Information/Motor Vehicle Services, an MCAT or Missing Child Alert Terminal (Amber Alert), a keyless entry/access system, a closed-circuit video system, and a system of over forty (40) campus wide, blue-light emergency call boxes. The Operators also work in conjunction with the township’s communications unit in dispatching fire and medical services to the campus. In addition to these duties, these Communications Operators serve as the main campus switchboard during non-business hours.

The current staff consists of C/O Jennie Bollinger, serving the community for 18 years; C/O Dianna Kreutzer, serving for 16 years; C/O Lisa Benevides, serving for 15 years and C/O Trudy Straus, serving for 5 years. The two (2) part-time Operators are Theresa Smith and Jennifer Lyons.

Goals for 2006

- Improve the service the division delivers to the community
- Enhance training opportunities for communication operators
- Upgrade radio equipment as funding allows
- Improve the ergonomics of the communications operators’ work area
Office of Health and Safety

Dennis Lepore, Health and Safety Compliance Officer

The Health and Safety Office is responsible for coordinating Stockton’s occupational safety and health programs by reviewing, interpreting, and applying the federal and state statues, and by preparing, monitoring, and implementing programs designed to assure conditions conducive to employee occupational safety and health.

The Health and Safety Compliance Officer works closely with the Chief of Police, Dean of Students, Human Resources, Plant Management, students and Housing and Residential Life.

Some of the functions include but are not limited to:

- Draft PEOSH standards for approval
- Ensuring all work place injuries or dangerous events at the workplace are investigated.
- Conducting appropriate health and safety education programs
- Advising the employer on health and safety issues
- Fire inspections and prevention
- Construction safety monitoring
- Assist with indoor air quality inspections
- Monitor fire permit applications
- Respirator fit testing
- Coordinate Community Emergency Response Team (CERT) training
- Monitor all MSDS sheets
- Provide the college community with timely safety awareness bulletins as needed

Goals for 2006

- The Office of Health and Safety looks forward to expanding the CERT program for 2006 through additional training opportunities, conducting periodic drills, developing a standardized call out procedure and gaining support from the administration, staff, students and faculty for this program. By becoming a resource for the college, CERT members will become a vital part of the College’s emergency management planning and operations.
- Strive to increase campus Fire Safety Inspections and provide additional training opportunities for the Housing and Residential Life Staff. This training would include additional lessons on the use and safety of Fire Extinguishers used on campus.
- The Heath and Safety C.O. will continue to broaden his Fire Education background by attending Clinics sponsored by The Division of Fire Safety, and using that additional knowledge to increase the fire safety programs on campus.
ADMINISTRATION/RECORDS

The Police Department’s Administration/Records Office is comprised of civilian employees including a Police Secretary assisted by student workers. Administration/Records supports all Police personnel with clerical and administrative duties of the Department.

Administration/Records is responsible for maintaining statistics of the Department by assigning a code for all calls for service received and entered by Communications through the Computer Aided Dispatch System. These codes are assigned using the guidelines of the Federal Uniform Crime Reporting and State of New Jersey Law Enforcement Internal Record System. We are responsible for filing of police reports, maintaining all Police records and files, and prepare the monthly Federal and State Uniform Crime Report.

Other duties that Administration/Records is responsible for are all purchasing and processing of payments by the Department; preparing of timesheets and recaps for all Police personnel; processing of requests for discovery of police reports from both municipal and county prosecutors’ offices, insurance companies, other law enforcement agencies, as well as individual requests. We are responsible for the maintenance of office and computer equipment within the Police Department and notifying the proper source for repairs. In addition to these duties, Administration/Records also prepare statistics from the Daily Activity Logs to be posted on the Police Blotter of the Department’s website.

Commencing with the school year of 2004-05, the college implemented a Residential Parking policy with the issuance of parking permits for each residential student that has a vehicle on campus. Administration/Records is responsible for the maintenance of the database of Parking Citations issued for violations of the Residential Parking policy by inputting the citations and following up with notifications to the Bursar’s Office and each individual of their fine(s) associated with the citation(s).

GOALS for 2006

• Continue to support administratively all Police personnel with the daily operation of the Department.
• Strive to improve the process of the Parking database for inputting and notifications of Parking Citations.

■ CARNegie LIBRARY CENTER – Please note: the crime statistics for this facility were unavailable from the Atlantic City Police Department.

* FORCIBLE SEX OFFENSES - Victim and Offender, acquainted.
** LIQUOR LAW REFERRALS - Majority of referrals resulted from violations of Residential Life regulations and policies.
*** WEAPONS LAW REFERRAL - Involved non-lethal or toy replica.
2005 Fire Statistics

All college buildings and residence halls are equipped with state approved fire alarms that are connected to a computerized fire command system monitored 24/7 at a central communications center. In addition, residence halls are equipped with a fire suppression sprinkler system and Carbon Monoxide (CO) detectors in buildings that use fossil fuel utilities.
