Support for Classroom Electronics:

Stockton's Electronic Classrooms are supported by Computer Services and the Center For Instructional Media and Technology. If you experience a problem with the computer system or any of the software from the computer, please contact Computer Services at ext. 4447 between 8:30 am and 4:30 PM or ext. 4340 after 4:30 PM (Monday--Thursday).

If you are having problems with the projector, the Elmo, a Television or the Media Distribution System, contact the Media Center at ext. 5045. (8:00 AM to 10:00 PM, Monday through Thursday and until 5:00 PM on Friday.)

To schedule Media Distribution or reserve equipment for classroom delivery, call the Media Scheduler*, Rosemary Baldwin, at extension ext. 4292

Linda Feeney, ext. 4337 from Computer Services and Bill Shackleton, ext. 4810 from the Media Center are the primary contacts for the electronic classrooms.

*AMX/Synergy Client software can be installed on any College networked computer to allow direct access to the scheduling system. Request AMX account at the Media Center. Computer Services will provide software and installation. A training video is available for new users.
